So happy that you replied! I showed my dad this and he is super happy to see it. In about two weeks my dad said he will put in a \$100 dollar deposit so I can be able to have the first pick of next years! I live in Arkansas also but in the texarkana area soon we will be moved out to genoa and what ever puppy I choose then will have awhole acer to run and play on. And just to let you know we always take super good care of our animals and get them fixed and there rabies shots and all that. And im saying these things because some people when they sell or give animals they don't know what life they usualy have after they leave. But you and your wife can be sure that the puppy I get will have a wonderful life and always be my best friend and take her/him wherever I go. Hope to see you all very soon in the future and my new best friend. And i can also assure you the puppy will get alot of lovin from my dad he LOVES brittanys :) And my little sister and mom. And thanks if I didn't say it before, for writing back I really do apprciatite. Thanks,Nikki :)

Dear Miss Nikki,

Thank you so much for your letter. You sound like a very bright and mature young lady. We're so glad that you like Brittanys as much as we do and are very excited that you may have one of our beloved puppies some day.

Our next litter will be next spring and we will put you at the top of the list. As you can see from our website, we require a \$100 deposit. First pick of the litter is based on when we receive the deposits (first deposit, first pick...second deposit, second pick and so forth). We have one other person (from Colorado) that wants a pup out of next spring's litter also.

We look forward to meeting you. Keep an eye on the website, I have more pictures to put on it this week.

Take care of yourself, Annie, Johnny and Stanley and be a good girl.

Lord bless you and keep you.

Roger & Deb

Subject: Hello

I am not ordering but was letting you know this information in advance so if you can please read. :) My name is Nikki, im 14 yrs old and I am a girl. I decided I wanted a brittany awhile ago and so I talked it over with my dad and he said YES! :D We already have a Brittany named Annie. She is very loving and 3 years old and by her side has her sidekick Johnny (chihuahua)who is 1 year old. Heres how we got Annie, one day I was watching T.V. in the living room I saw something in the corner of my eye and turned to look and saw her running around outside without a collar. Right away I knew she had no owner and turned out she had been used for a breeding dog and dumped after she was was all used up. We took her to the vet got her fixed and now she is happy and healthy. Were glad to have her shes the best dog we ever

had she even loves to sleep beside our cat Stanley. My dad agreed if I save up \$600 that I could get a brittany puppy and by the pictures the puppies are happy. I hope to get one of them next year when you and your wife have more litters. :) Hope to get a puppy and finally meet you guys. Thanks,Nikki :)
