Hello Roger and Deb!

Hope you are enjoying your summer. I just snapped this cute pic and thought i would share. Our little Zoe (shari) has brought us so much joy and laughter. She is growing so much each day! She is so clumsy, which makes her even more adorable. Everyone loves her.

Have a good weekend!

Good morning!

I just wanted to let you know Zoe got her 6 week shots and got a clean bill of health from the vet! She is already almost 7 lbs. This picture is after a bath. She is doing so well and she is getting so much attention from everyone! :-)

Hey Roger and Deb!

Just wanted to send you a note to say the pup is doing well. I tried to attach a picture, i hope it worked! She is growing! She is sleeping through the night most nights and is getting used to going to the door when she has to potty. She is getting a lot of love and attention. I can already tell she is so smart! We are having so much fun with her and watching her grow. Hope you all are doing well!
