Well we are finally home from all our Christmas travels. I have been so excited to email you these pictures. I'm going to send you a video in another email that I thought you might like from Christmas morning.

My oldest (the one who asked for a puppy from Santa and in most of the pictures) named him "Cody". I have no idea where she got it from, but it seemed to fit. My middle child asked if his middle name could be "Little-Puppy" so his official name is now "Cody Little-Puppy Spencer". :) He is sleeping in the middle of our living room floor right now, no doubt exhausted from playing all afternoon with the girls! We could not have gotten a better puppy for our little girls! Thank you so much for helping us make it happen.

You can use whatever you like on your website and I was more than happy to write the testimonial for you below.

Sincerely,

Maurine

My husband and I have three little girls who were incredibly excited to find out that Santa had left Baldy in our backyard for Christmas! He is a beautiful dog with an even-temper, very social, and a great cuddler. All three of our girls (ages 5, 3, and 1) have very different personalities, but all three love him. Even our 3-year old, who is a little timid around dogs has quickly realized that Baldy was gentle and, in her words, "soooo sweet". I am amazed at how calm and naturally obedient he is! I also feel that I need to add that not only do we love our dog, but Roger and Deb were an absolute pleasure to do business with. They are very helpful and obviously care a lot about their dogs. It was worth every minute of the 13-hour round trip to go get him! Thank you SO much Roger and Deb!
